## DETAILED ACTION

### ***Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: the prior art reference has failed to disclose or suggest a medical instrument structured as recited in claim 1, especially a shaft end formed on one of a first part or a second part in a one piece manner.

Claims 1-15 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
